

Schooling for children of displaced Ukrainian families

Welcome to school in France

Going to school is a right for all French and foreign children living in France.
Public school is free and education is compulsory for girls and boys from 3 to 16 years old.
Your child will therefore be able to attend school as soon as you arrive in France.

How do I register my child?

Step 1 : A single point of access : write to scolarite-ukraine05@ac-aix-marseille.fr by specifying

- Surname and first name of the parents or legal guardian, address of the accommodation ; mail ; phone number ; profession.
- Surname, first name, date of birth, class level in Ukraine of each child to be educated ; languages spoken.

Each request for schooling will be redirected by our care to the competent service (city hall, student life department of the DSDEN) for enrollment in a school, middle school, or high school closest to the place of residence. You will be contacted as soon as possible to finalize this registration.
